

ArtStart

Term 2

David Medalla, *Cloud Canyons*, 1985.

Sculpture

Students will explore sculpture and installation works with a focus on the materials and processes involved.

William Sutton, *Nor'wester in the Cemetery*, 1950.

Landscapes

Discover how artists have portrayed the New Zealand landscape. Students will investigate a variety of compositional devices used by landscape painters.

Marco d'Oggiono, *Madonna and Child*, c.1490.

Through the Ages

Investigate and analyse a selection of Auckland Art Gallery's collection pieces.

Take advantage of our subsidised bus deal when booking (limited places). We book the bus for you and the costs are \$160.00 (for 1-57 children) \$240.00 (58-100). Bookings on 09 373 6345 or kirsty.glengarry@aucklandcity.govt.nz

These programmes can be combined for a total of \$5

ArtStudio term 3/4

Art-making in response to artworks—a new programme

Signs and Symbols Yr 0-8

Students will study examples of New Zealand and Pacific art that explore and express cultural identity. Study of these works will provide the motivation for your students to make their own visual response.

Booking information

This is a 90 minute programme which operates on Tuesday, Wednesdays and Thursdays and costs \$3 per student.

Bookings on 09 307 7727 or roger.taberner@aucklandcity.govt.nz

This LEOTC programme is funded by the Ministry of Education
